

**Job Title:** General Laborer – Specialty Commercial Construction

**Location:** Omaha, NE

**Company:** Fisher Xteriors

**Job Type:** Full-Time

**About Us:**

We specialize in high-quality commercial construction specialty services, delivering excellence, safety, and reliability in every project. Our reputation is built on precision and dedication, and we're proud to exceed expectations in everything we do.

**Join Our Team:**

We're looking for hard-working, dependable individuals to become part of our growing team. If you're ready to contribute, learn, and help build the future—one project at a time—this opportunity is for you!

**Job Summary:**

As a General Laborer, you'll support the essential functions of specialty construction services, including:

- Surface preparation
- Detail sealants
- Fluid and sheet-applied membranes
- Cladding attachment systems
- Continuous insulation
- Various metal panel cladding systems

This role offers hands-on experience in the field, with opportunities to grow in a company that values dedication and teamwork.

**Key Responsibilities:**

- Load, unload, and transport materials and tools to job sites
- Maintain a clean and safe work environment
- Support specialty construction installations
- Operate hand and power tools as required
- Remove debris and perform site clean-up
- Follow all safety procedures and company policies

**Qualifications:**

- Valid driver's license required

- Ability to operate and drive a vehicle
- Previous construction is preferred but not required
- Must be able to lift heavy materials (50+ lbs) and occasionally handle up to 100 lbs
- Comfortable working at heights and outdoors in various weather conditions
- Reliable transportation to and from job sites
- Strong work ethic, punctuality, and willingness to learn
- OSHA certification is a plus
- Team-oriented with the ability to follow instructions from supervisors
- Availability to work evenings and weekends

**What We Offer:**

- Competitive hourly pay (based on experience)
- Supportive and safety-focused work environment
- Steady, year-round work

**Apply Today!**

If you're ready to work hard, learn fast, and be part of a team that takes pride in their craftsmanship, we want to hear from you.
